### TIPS:

- Look at the “date” of the courses to see when they are offered. (Jan-March is 1st block; March-April is 2nd block; Jan-May is full term)
- You can also filter by “attribute” to find general education requirements (science, social science, humanity, Writing Intensive, etc.)
- You can also filter by “part of term” to select whether you want full term, 1st 8 weeks or 2nd 8 weeks. (but again—MOST courses will be offered full term)
